

Use English
with confidence

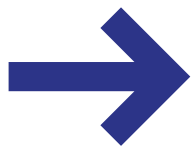

Get your CV ready for your job search

Perfect English is just one component of a great CV. Utilising words that accurately describe you, your achievements and what you are looking for—is vital.

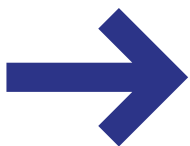

Interview preparation

Your great CV has helped you gain an interview. Are you ready? Let us help you with your spoken English, manage interview questions, and body language.

Proofreading academic writing and thesis

You have worked hard on your academic paper—now let us help ensure the English is as strong as your research.

Networking & social skills

Before entering the job market learn how to network like a champion and use appropriate social skills at business functions.
